

Camp Dixie Lutheran Outdoor Ministry

Camper Information Form

To be filled out by Parent or Guardian

Welcome to Camp Dixie! We are looking forward to the opportunity to share God's Love with your child. You have sent in the registration form and necessary deposit securing your child's place at Camp Dixie for the selected week of camp. It is important that you take some time to help prepare your child for camp by talking with them about it. Talk with them about what to expect while at Camp Dixie, what kind of behavior you expect them to display while at camp, and how much fun they are going to have meeting new friends and learning more about God's Word. Go through the "What to Bring form with your child and pack together so they know what they have. Write the date your child is registered for on the calendar so that you can look forward and prepare as a family for the big day. This will help your child be mentally prepared for the week.

Please also help us prepare for the week with your child by completing this form. The information requested is intended to help your child's counselor get to know your child before they meet. This will help us be more informed and therefore more effective in our care of your child. As you complete this form, please include any other information that you feel would be helpful for our staff to know. While the information is voluntary, please know that the information you share is strictly confidential and will only be shared with Camp Dixie staff.

Return this form no later than one month prior to your child's week of camp. (Return immediately if less than 1 month before camp begins.)

General Information

Camper's Name: _____ Nickname _____

Address _____
