Helping Hands Servant Event

If you know of a group that would like to join us for a week or a weekend to lend a "Helping Hand" please call Camp for more information.

Participants can: groom trails, mow/weed eat repair the Challenge course, power wash outside areas, as well as small projects in the dining hall.

Camp Dixie is dedicated to creating an environment where each individual is able to grow spiritually, physically, emotionally and intellectually, in a positive way by experiencing reflecting, and evaluating, in an outdoor-based Christ centered environment

Camp Dixie Needs Staff

As camps recover from the impact that Covid has had in shutting down regular summer programming it has also made it difficult to find staff as we open back up to serve children and youth. If you know of any young adults interested in spending several weeks sharing the "Love of Christ" with our campers please have them contact us here at Camp. We need male and female counselors, and kitchen staff. Have them contact us at 251-987—1201 or email:

Camp Dixie in need of replacement for Suburban.

For many years the camp has been blessed with the use of a Suburban for traveling VBS as well as other trips. But it has seen better days and now repairs are becoming more and more costly. If you know of someone who can make an in-kind donation of a similar vehicle, please have them contact us at email:

director@campdixie ministries.org
